WASHINGTON INSURANCE NETWORK

An open forum which empowers the individual member involved in the insurance industry and the group by assisting them to meet their social, economic and industry needs.

These needs can be met through regular meetings, networking, education, lobbying local politicians that support the goals of the members and through hosting charitable events.

Washington Insurance Network is:

- ◆ An insurance professionals' networking organization
- ◆ An Invaluable Resource for insurance professionals
- ◆ A Forum for Education
- ◆ with some Fun - Friends - Fellowship

Our members include: insurance agents, insurance adjusters (company and Independent), brokers, credit unions, financial advisors and institutions, risk managers, self insurers, restoration companies, auto body shops, and many others who provide support and resources for the insurance industry.

Why Join Us?

- ◆ Improve your insurance skills and knowledge
- ◆ Hear monthly speakers with targeted topics
- ◆ Keep current on changing industry issues
- ◆ Establish industry relationships with people who understand the struggles you deal with on a daily basis
- ◆ Exchange ideas
- ◆ Help our local community through our charitable support
